Greetings from the General Chairman

This year's Trappers' Festival finds us in the beginning of a new decade, which I hope will be more successful and happy for everyone inclined to peace and harmony.

The 1980 Board of Directors of the Trappers' Festival have been hard at work organizing since April of 1979 to prepare for this the Thirty-third incorporated festival. The Board of Directors together with hundreds of volunteers wish to extend a warm and hospitable welcome to everyone attending this year's celebrations.

The events and activities of our festival are based on the skills and entertainments of the old time trappers and fur traders, and we look forward to your participation in all the competitions and contests, and hope you will enjoy the shows and entertainments. The community of The Pas is part and parcel of the Festival and it is our hope that you will enjoy our friendly atmosphere of Northern Hospitality at its best.

I would like to extend my sincere appreciation and thanks to the members of the Board of Directors, the committee chairmen, advertisers, sponsors, and workers, and especially to those people who have put many years past and present into the successful planning of our Trappers' Festival. Your support and involvement ensures the continuation and success of Trappers' Festivals.

May the 1980 Trappers' Festival leave you with warm and happy memories!

My best regards to everyone.

**Sue Lambert,
General Chairman.**

Greetings from the Mayor, Town of The Pas

I extend greetings to all those who are taking part in this year's Trappers' Festival.

These greetings cover a wide range - to our Visitors - to the Spectators - to the Workers - to the Participants.

Winter Festivals have become very much the "thing" today. Long before the proponents of "Heritage Day" in February surfaced there were people in The Pas who saw the Trappers' Festival as part of our community's heritage. They also thought some celebration was in order to break those winter blues, around and about the month of February.

Their foresight and perseverance has led to the Trappers' Festival as we know it today - and for that matter, many of the Winter Festivals throughout the land.

Have fun everyone!

Sincerely,
Doug McBride

Greetings from the Chief, The Pas Indian Band

The members of The Pas Indian Band and Council join me in welcoming all visitors to The Pas, Home of the Northern Manitoba Trappers' Festival. The participation of many northerners coupled with efforts of community minded individuals cannot but result in continued and constant progress as the Trappers' Festival becomes yet more firmly established.

The time of the Festival is one of pleasure both for the residents of The Pas and areas and the many visitors who attend from all over Canada and United States of America.

I would like to congratulate the Festival Committee for their fine effort and wish them continued success in future years.

Message From the Lieutenant-Governor

Greetings to all and sundry!

The Pas is the Place to be and the annual Trappers' Festival is the event to take in. Donie and I know this to be a fact because out of your over thirty festivals, we have missed but four or five.

May the dogs have good running and may the participants in the many events meet with success and may all of the residents of The Pas, Northern Manitoba, and indeed the world, have fun!

**F.L. Jobin,
Lieutenant-Governor of Manitoba**

Warm Northern Greetings Rod Murphy, Member of Parliament for Churchill

The Trappers' Festival is more than just a good time; it is a celebration of a way of life that stretches back many, many generations. The Pas is historically a trapping and trading centre for the north. As we move into a new decade where forest products, minerals and fish become the commodities that are "traded" for the needs of a modern developing northland, we pause for these few days to celebrate the traditions and richness of the heritage that is ours.

I'm pleased to welcome visitors, contestants and fellow northerners to this year's Trappers' Festival.

**Best wishes!
Rod Murphy.**

Greetings from Ron McBryde, M.L.A. for The Pas

It's once again the time of year when Northerners take a mid-winter break and compete, celebrate and have a good time at The Pas Trappers Festival. Greetings and best wishes to everyone.

Our well known festival is a lot of fun and also a lot of hard work. From those of us whose main role is to enjoy the festival, many thanks to those who have worked hard to make the festival a success.

Good luck to competitors and may everyone in the true northern spirit have a great time.

**Sincerely yours,
Ron McBryde,
M.L.A. for The Pas.**

Greetings from J. Frank Johnson Minister of Economic Development And Tourism

On behalf of the people of Manitoba, it is with great pleasure that I extend congratulations to the organizers and volunteers who are responsible for the Northern Manitoba Trappers' Festival. For thirty-three years, the citizens of The Pas have pitched in to ensure that their festival remains one of Manitoba's most exciting and eagerly anticipated attractions. With its emphasis on outdoor events and its participants' obvious pleasure in challenging the elements, it has even succeeded in persuading the rest of us to appreciate winter a little more.

Thank you for sharing your enthusiasm and your northern hospitality with us.

**Sincerely,
J. Frank Johnson**

Message from the office of The Premier

For a third of a century, the Trappers' Festival has unified a community in common purpose and has been an authentic showpiece of The Pas' and Northern Manitoba's frontier.

This is a long time in the life of a young community and young region, and over the past 33 years the high standard of planning and presentation tells us a great deal about those who make sure that this annual event carries on. You deserve a great deal of thanks for this genuine and ongoing display of frontier life.

Along with the skills and the color of this event there is something more: a frontier spirit, a happy sense of working together, a feeling of pride at showing something that truly is part of the life and history of Northern Manitoba.

For all these reasons, it is a particular pleasure for me to extend the warm and heartfelt greetings of the government and people of Manitoba to all who have been associated with this great winter festival, both today and throughout the years.

May this first festival of a new decade salute your proud past and your hopeful future.

Sterling Lyon

Good Times

The friendliness of the north is at its peak during festival time. The Pas residents and visitors alike look forward to the oldest festival in the north — The Pas Trappers Festival. We in Thompson, at the other end of the trapline, the home of one of the newer northern festivals — the Kinsmen Winter Carnival — wish you good times at this year's festivities.

World Championship Dog Race

Since the big race started in 1916, it has been run 43 times with 28 different winners. The race was shortened from 150 to 105 miles in 1976, and was won by Art Allen from Cedar Rapids every year until 1979. In 1978, there was only a six second difference between Art and second place finisher, Ron Aasness. The 1979 World Championship Race was won by a local musher, Larry Commodore with a time of 7 hours, 48 minutes, 51 seconds.

All dogs in the race will be tagged and registered at Carroll Motors on Wednesday, Feb. 13th between 12:00 noon and 6:00 p.m. by the Kinsmen. They will also be examined by a veterinarian, who will check on condition during the race and at the start of each lap. This race has a 9 dog limit.

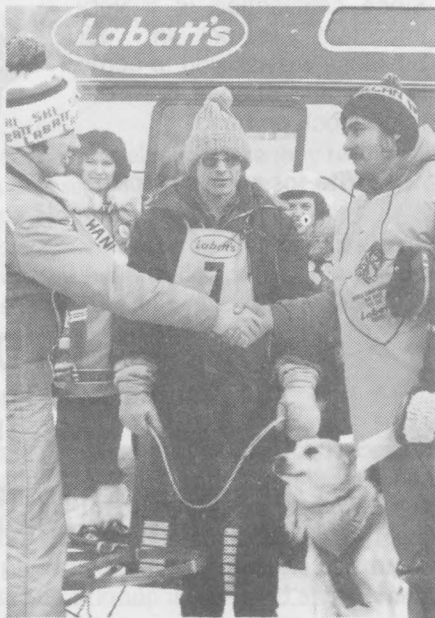

Thursday, Feb. 14th 10:00 a.m. a shotgun and flaming arrow mass start will begin the 1980 World Championship Dog Race for the Labatt Trophy, and the Manitoba Championship Dog Race. The location for all lap starts will be on the Saskatchewan River at the foot of Edwards Avenue and there will be three laps of 35 miles a day for a total of 105 miles.

Total prize money for the race is approximately \$10,000.00, with expense money of \$100.00 per team that starts but does not finish the last lap.

The breakdown is:

1st	\$2500.00
2nd	1500.00
3rd	1000.00
4th	750.00
5th	650.00
6th	550.00
7th	450.00
8th	350.00
9th	250.00
10th	150.00
11th and under	100.00
Lap prize	\$100/day
Hidden Mile	\$50/day

The prizes and trophies will be distributed at the Mushers' Wind-up at the Norlite Hall on Saturday, February 16th at 6:00 p.m.

The Manitoba Championship Race

This is a new race instituted in 1978, and is run in conjunction with the World Championship Race. It is open to Manitoba residents and their dogs only. The rules are otherwise the same as the World Championship, with prize money of \$1,400.00 and a trophy. Racers will be allowed to compete in both races simultaneously by paying two entry fees. The first Manitoba musher in will collect first prize in the Manitoba Championship Race plus prize money for whatever position he achieves in the World Race. A breakdown of the prize money in this event is:

1st .. \$500.00	3rd .. \$250.00	5th .. \$150.00
2nd .. \$300.00	4th .. \$200.00	

Junior Race

This race is open to young Canadians who have not passed their sixteenth birthday by race day. The race is sponsored by Manfor and is run with the same competition and drive as the Big Races and has proven to be a training ground for competitors in the World Championship and Manitoba Championship Dog Races. Prize money totals \$775.00 and the winner is presented the Manfor Junior Trophy.

Freight Race

Competitors in this race will be required to carry a load of two hundred pounds (including sleigh weight if your own weights are provided). The freight race is representative of the Old Time Trappers' and Fur Traders who carried their loads of furs to camp and to market with their dogs. This race should attract dogs of stamina and endurance.

Mushers' Briefing

A banquet is provided for the mushers and helpers where they receive all their instructions and discuss the rules and regulations of the races. The banquet will be sponsored by the Wescana Hotel.

The Kinsmen Club of The Pas has again volunteered their services to run the dog races, and will have the power to solve and determine all questions and interpretations of the rules. They shall be the judges of the winners of the race and award the prizes.

Mushers' Windup

This banquet is held Saturday evening at the conclusion of the Dog Races and is sponsored by Labatt's Brewery and the Northern Manitoba Trappers Festival. The mushers are entertained, and this year, they will see the movie presentation of the Wide World of Sports presentation of the 1979 Dog Race, and all the prizes and trophies will be presented at this banquet rather than at Festival Hi-Lites due to time pressures. The Windup will be held at the Norlite Hall on Saturday, Feb. 16th at 6:30 P.M.

Dog Race History

The Pas Dog Derby started in 1916 and continued until 1931. During the Depression and the War Years the races were discontinued due to pressures of the period. In 1948 the Northern Manitoba Trappers' Festival was incorporated and held and has been an annual event since that time, with the dog race as the feature attraction of the Festival.

The winners of each race are:

King Trapper

One of the most important competitions during Trappers' Festival is King Trapper. Events include tree falling, wood cutting, tea boiling, bannock baking, muskrat skinning, flour packing, trap setting, canoe packing, snowshoe races, moose calling, ice fishing and goose calling.

Events are held in front of The Legion where spectators can watch from bleachers the good natured rivalry and competitive spirit among contestants.

Spectators are invited to enter any event - just bring warm clothes and a good sense of fun.

Queen Trapper

The Queen Trapper Trophy is awarded to the girl who gains the highest number of points among such events as nail driving, tea boiling, bannock baking, snowshoeing and flour packing.

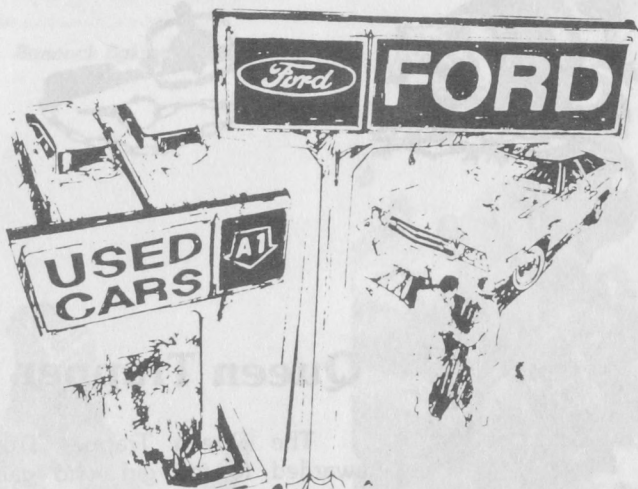

The Pas Musketeers Broomball Club invites anyone interested to enter these events and contribute to the growth this competition has experienced in the past.

Junior Sports

Boys and girls seventeen and under compete for the Junior King and Junior Queen Trapper titles on Friday and Saturday. They participate in ten events: North pole climbing, log sawing, log throw, log balance, trap setting, pack race, squaw wrestling, nail drive, tea boiling and bannock baking.

Although the Junior King Trapper event has been held for the last ten years, the Junior Queen Trapper event is only in its fourth year. Scott Batemen Outdoor Education initiated the latter and have sponsored it for the past two years.

I am running for the title of "Trapper's Festival Fur Queen 1980." My sponsor is The Pas Branch of the Manitoba League of the Physically Handicapped.

I am seventeen years old and have lived in The Pas all my life. My parents, Mac and Bev, came to The Pas in June of 1956. I have four older brothers and I attended Margaret Barbour Collegiate for my schooling.

I am presently employed at CJAR Radio Station in The Pas. I enjoy singing, (which I intend to pursue as a career one day), flying, horse-back riding, swimming and all sports.

I look forward to this year's Candidate.

I'm the 18 year old daughter of Vic and Lorraine How of Swan River. I have been a resident of Swan River all my life.

My sponsor for the Fur Queen Pageant is the Parkland Motor Racing Association (P.M.R.A.).

I graduated from S.V.R.S.S. this past June with a commercial art major. I am an avid sports fan, and have participated in all the scholastic sports. I also enjoy reading, dancing and being outdoors. I am also concerned with wildlife conservation.

In the near future I hope to be employed as a commercial artist.

Miss The Pas Friendship Centre

Born 1959, Marlene is a graduate of Margaret Barbour Collegiate and is presently working with the Kelsey School Division. Her earlier years were spent at Churchill where she attended school until moving to The Pas in the early 70's. Her interests include bowling and outdoor sports.

Shelley Young

Miss The Pas Lumber Kings Hockey Club

Shelley Young is being sponsored in the 1980 Fur Queen contest by The Pas Lumber Kings hockey club. Shelley well represents the northern inter-community reputation of the Festival, having lived portions of her twenty years in Gillam, Churchill, Melville, Saskatoon and in The Pas for the last six years. She completed high school in 1978, attended University last year and is presently employed at St. Anthony's Hospital. She intends to continue work toward her B.N. degree next year.

While in The Pas, Shelley enjoys the various outdoor activities that the North provides. These include skiing, curling, and hunting. She is an avid hockey fan and her hobbies include knitting and carpentry.

Campaigns are not new to Shelley since she has participated in those of previous candidates and served as campaign manager for one. These experiences have heightened her interest in the Festival and increased her pride in being a candidate for Fur Queen.

Raw Fur Competition

"The Otineka Mall Merchants Association presents The Northern Manitoba Trappers' Festival Raw Fur Competition" ran the headlines last year and we are pleased to announce this annual event again for 1980. The competition is open to licensed Manitoba trappers only and the furs will be judged publicly on Thursday, February 14th at 10:00 a.m. on the basis of pelt preparation, for quality and leather condition. The pelts will be on display in the Otineka Mall throughout February 14th, 15th and 16th with a knowledgeable person in attendance to answer any questions regarding the judging and or types of fur on display.

Some of nature's finest raw fur, pelts including lynx, beaver, fox, mink, coyote, timber wolf, fisher and otter will be on display during this competition. The Otineka Mall Merchants Association along with the Board of Directors of the Northern Manitoba Trappers' Festival, Inc. extend a warm invitation for everyone to attend this educational and informative exhibit of Manitoba's oldest industry, come see a part of history.

Pancake Breakfast

This annual feast in the middle of our subzero temperatures not only lends warmth to the stomach but also provides a warm and friendly atmosphere in the basement of the Salvation Army at 345 Lathlin Avenue.

Lieutenants Mary and Brad Smith are new to The Pas and our Trappers' Festival, but they are pitching in with true Northern Spirit to host this event from 7:00 A.M. to 2:00 P.M., Thursday, Feb. 14, Friday, Feb. 15 and Saturday, Feb. 16. Their menu is pancakes and sausages in the mornings and stew, hamburgers and hot dogs for the rest of the day along with steaming hot mugs of coffee, tea or hot chocolate to warm you pleasantly after a few hours in the chilly February temperatures.

Lieuts. Mary and Brad Smith would like to invite both visitors and residents of The Pas to visit their premises during the Festival.

Native Food Buffet

The ladies of the Church of Messiah, 46 Riverside Drive will be holding a Native Food Buffet between the hours of 11:00 a.m. and 2:00 p.m. Thursday, Friday and Saturday of the Festival. Specialty dishes will include moose meat, bannock and fish. Come fill those empty tummies with some real trappers food.

BRIAN GLOW Magician

You might well ask - what does mime, physiological psychology, and theatre have to do with pursuing a career in magic? Brian Glow takes his magic seriously, and anything he can do to enhance the artistry with which he performs, he does. Brian has been increasing his grasp of the art for the past fourteen years, and has performed in numerous countries including Canada, U.S.A., Britain, Kenya and Greece. Audiences have ranged from private parties, nightclubs, universities, to major concerts for 14,000 people.

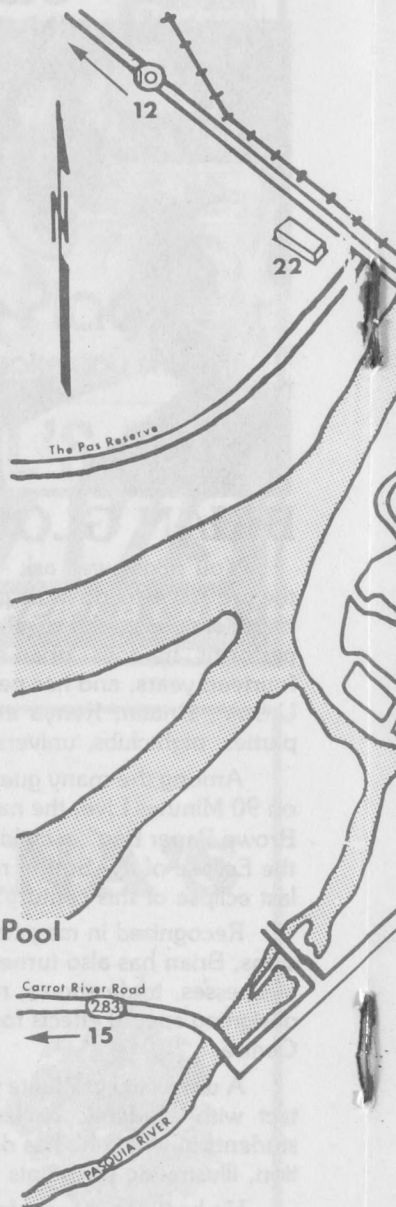

Among the many guest appearances on television, Brian has done spots on 90 Minutes Live, the national show hosted by Peter Gzowski, CBC's "The Brown Paper Bag", a children's series from Winnipeg, and Magic, Music, and the Eclipse of the Sun, a recent national special filmed to commemorate the last eclipse of this century.

Recognized in magician's circles as an innovator and creator of new illusions, Brian has also turned his considerable talents to designing illusions for businesses, trade shows, rock bands, theatre and television. He is currently designing special effects for such major companies as the "Manitoba Theatre Centre."

A university graduate with a degree in physiological psychology, his contact with academic circles has led to several lectures to professors and students in which he has dealt with everything from schizophrenia to perception, illustrating his points with magic.

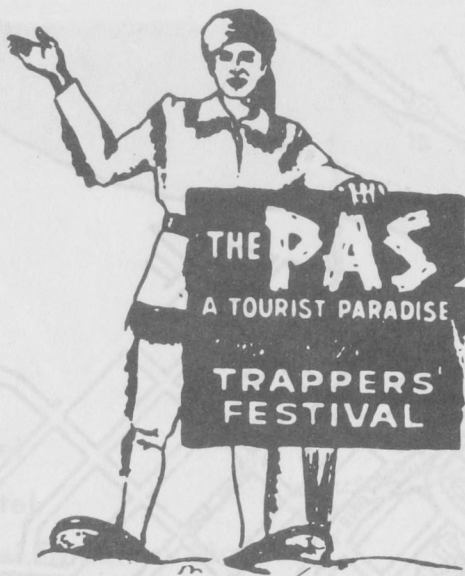

He has gained fame from such amazing feats as escaping from an airtight barrel while wrapped in 100 feet of chain, but Brian's newest venture promises even more to delight his growing audience. Brian has unveiled a blend of magic, music and dance designed as a total evening of fantasy. The concert is conceived with adults in mind, but children will be equally fascinated. This magician has the capacity to make people believe in his powers — even the Canada Council, which has recently awarded him an exploration grant for his next touring show.

RENDEZVOUS AND FUNFESTS

Each festival evening the trappers get wound up and begin to howl as they enjoy the dancing and fun the Rendezvous and Rally in the Valley provide. After an evening of dancing jigs, reels, disco, jive, rock and roll, waltzes and two-steps, the Northerners are ready for a hearty meal of bbq beef, baked beans, potatoes, and all the trimmings, all washed down with a fine assortment of refreshments.

This year we have planned Rendezvous for Thursday at the Elks Hall, Friday at the Elks, Guy, KCC, and Saturday at the Elks, Guy, KCC and the Legion. There will also be a Rally in the Valley on Friday and Saturday at the Valley Hall. Music will be a variety at the halls, so come into headquarters at the Carters' Basement, and get your tickets early. We promise non-stop dancing again and it's worth getting out to enjoy these evenings.

FunFests are planned for the Friday and Saturday and Sunday afternoons. They will be held at the Guy and Elks Halls, and provide good music and refreshments for a quick stop of a long stay during the afternoon of the Festival.

Fur Fashion Show and Tea

The Airport Ladies are coordinating the Fashion Show with the Girl Guides Association sponsoring this year's tea; both to be held at the Guy Hall on Friday, the 15th of February. Two shows a day ensure that the audience will be treated to a delightful array of the latest fur fashions from Rogers' Furs.

Native Handicraft Exhibition And Sale

The Pas Friendship Centre, 81 Edwards Avenue, will be holding their annual Indian Handicraft Display and Sale on February 13, 14, 15, and 16. The Exhibition features native handicraft made by native persons only. All items will be judged on February 13th according to how well the articles are made in the categories of quality and originality. All prizes are donated by The Pas Friendship Centre, Inc. to promote Indian arts and crafts in Manitoba.

Indian beadwork, vests, moccasins and mukluks are only a few of the items on display annually. The Friendship Centre has bannock, stew and coffee available all day throughout the show for hungry visitors to the exhibition. So come out and see the fine craftsmanship and artistry of our native peoples and help promote their endeavors.

Arts & Crafts

The Local people of The Pas have a wide variety of artistic talents. The Arts and Craft Show presents an opportunity for people to display and demonstrate their skills.

The Show is divided into two classes: paintings and crafts. The craft class includes photography, quilting, needle work, leather work, pottery, jewellery, macrame and many more. Many of the items are for sale.

The show is held in Mary Duncan School. The Cook Street entrance is open from 9:00 a.m. to 9:00 p.m. on Friday and from 10:00 a.m.- 6:00 p.m. on Saturday, and from 11:00 a.m. to 4:00 p.m. on Sunday.

The People's Choice prize is awarded to the most popular item. Prizes for other categories are donated by local people.

A coffee house will also be held at Mary Duncan.

Senior Citizens Party

This event, organized by the Golden Agers of The Pas is held at St. Paul's Residence on Thursday, February 14 from 2 to 4 PM. It is open to all senior citizens of The Pas area. It is an afternoon of dancing, music, entertainment and refreshments. Our booking agent informs us that Brian Glow will also be making an appearance.

Trappers' Joust

Ye Old Trappers' Joust is a fun event staged at the Winton Pool during the Trappers' Festival. Its participants are usually some of our town fathers, local businessmen as well as guests and dignitaries from out of town. This type of joust is played in the water with the participants seated on inner tubes holding a long handled pole with a blunt end. The person who stays upright on his or her inner tube, after the opponent tries to knock him or her off, is the winner. This is a real fun event which will take place at the Winton Pool on Friday, February 15th at 2 p.m. The winner is awarded a trophy sponsored by the Huskie Confectionery.

Winton Pool Events

There will be some fun events staged at the Winton Pool on Friday morning February 15th from 10-12 for the children. This is not a competition and there is no charge for participation. Kelsey Recreation is sure to set up some great ways to have fun in the pool so make sure you bring your bathing suits and be prepared to have a fun filled morning.

Mini Trappers' Festival At Scott Bateman

Scott Bateman Junior High School intends to hold a Mini Trappers' Festival on Thursday, February 14. The Mini Festival includes both Trappers' Festival related events and novelty events. Student participation is compulsory.

According to school officials, the purpose of the day is to increase school spirit, supplement the Outdoor Education Program and to support the community and Trappers' Festival.

Parents and the general public are invited to attend Scott Bateman on Thursday.

Mini Trappers At Opasquia

Opasquia Elementary School will be hosting it's annual Mini Trappers' Festival on Thursday, February 14th in the afternoon. The public are most welcome to attend.

Recapping last year's events - our snow sculpture captured second place in the school entries, and our outdoor events, including the "dog" races, where teams of six students pulled staff on toboggans into the fence (the finish line) were something to behold.

The northern outdoors was brought indoors to our gym by Alex Sanderson, Joe Ross and Frank Whitehead who thrilled an audience of over 500 people to calls of mating moose, geese, frogs and those other strange noises heard in the early morning dawn along the quiet water of some isolated northern lake.

Finalists from each class in nail pounding, jigging and squaw wrestling competed for prizes while judges tried to select "best dressed" entries from students adorned in beaded muk-luks, vests, gauntlets, headbands and leather skirts.

This year's preparations are long underway and with festival fever steadily picking up we anticipate a better than ever mini Trappers' at Opasquia Elementary and we invite you to be there!

Why does he bring his savings to us?

Well, they're all the same aren't they? A bank is a bank. But then maybe there's something to the idea that the older an outfit gets the better it gets. Like, every time I visit a Bank of Montreal - and they're everywhere - I can see that the tellers all went to the same school. They know what they're doing, they don't keep me waiting in line and when it's my turn, they're pleasant and efficient.

Deposit something - or open a savings account this week - and prove to yourself how good it feels to do something really sensible with your money.

Mary Duncan Elementary Mini Festival

The week of the Trappers' Festival is a very busy week for the students of Mary Duncan Elementary. To get into the spirit of the Festival, the students participate in art contests, ice sculpturing, as well as Festival oriented learning activities. Traditional Trappers' garb is the order of dress during the week.

On the Thursday afternoon, everyone assembles in the gymnasium to compete against each other in many of the traditional King Trapper events such as moose calling, goose calling, squaw wrestling, and jigging. Prizes are awarded to the winners of each event. One of the hi-lites of the afternoon is a visit by one of the former King Trappers who entertain the children with his talents.

Trappers' Festival At Kelsey Elementary School

Instead of bells signaling pupils that it is time to enter the classrooms at 8:45 a.m. and 1:00 p.m. we play music over the intercom system for 5 or 10 minutes. The first sign of Trappers' Festival is when the usual soothing carefully-selected popular music is replaced by toe-tapping jigs. To get in the mood of things teachers and students are encouraged to dress in their festival-type clothing on Thursday.

In keeping with the creative spirit of Trappers' Festival, teachers are not obligated to come up with a set program year after year. Instead, activities are planned spontaneously. Some years we have seen displays of: ice sculpturing, bird calling contests and squaw wrestling. Local merchants have sponsored drawing contests on the topic and receive floods of sketches of dog sleighs, crowds of people and wildlife scenery.

Interest and excitement in school is high during that week. It is a time when all students listen and watch with interest to stories about dog racing, trapping, furs, queen contests, jigging, animal calls, leather clothing and the ice worm. In these ways we are provided with a break from the long winter.

Ice Worm Contest

"We'll be happy when the Ice Worms nest again!" Those words, the closing strains of the Ice Worm Chorus, have immortalized the Ice Worm as Festival's most famous legendary creature.

The Ice Worms are hidden in various locations at the start of the Festival, and clues are posted daily until the creatures are discovered.

The Contest is sponsored by the Toronto-Dominion Bank which provides for the first person to capture each specimen. Clues are posted on the window of the Toronto-Dominion Bank at the corner of Third Street and Edwards Avenue, and are also announced over CJAR radio.

The Ice Worm Contest is a favorite with young and old alike. Join in one of Festival's most popular family events.

ICE FISHING CONTEST

Holes are drilled on the Saskatchewan River ahead of time. The most fish caught in the hours designated determines the winners. This event is held on Saturday. Prize money is \$100.00 donated by The Wildlife Association.

Novelty Events

For several years the local Lions club has organized Novelty Events at noon each day of the Festival. These events are a take-off on the King Trapper and Dog Race Events. For 1980, they have planned the Giant Snowshoe Race, which consists of three people on a pair of snowshoes 20 feet long; a Tug-of-War; and a World Championship People Race, which will consist of three people pulling a dog in a sleigh. These events are fun to watch and to participate in, so come on down to Edwards Avenue at noon.

Keystone Kops

The Lions Club of The Pas act as Keystone Kops during the Trappers' Festival, and any person is subject to arrest and incarceration in the mobile jail if they do not have any fur on their person. The Maximum/Minimum fine is \$1.00.

THE STEWART BROTHERS

Ian Stewart

Bass, Vocals

Born in Regina, Saskatchewan in 1955, Ian's early musical influences centered around rhythm and blues, blues, and classical music.

After studying string bass, and lower brass instruments for six years, Ian bought his first electric bass, and went "on the road" professionally.

He spent the next two years touring across Canada with rhythm and blues horn bands and, after a brief stint at the Internal Revenue Service, became the bass player with Canadian Artists "Gary and Dave".

With "Gary and Dave", Ian toured all over Canada, Britain and the Caribbean. He also recorded their latest records, and appeared with them on various television shows.

Ian has been totally involved, for the past eight months, with writing and recording with "Kickatin Kan" in London, Ontario. However, he has also managed to record on C.B.C. star Gloria Kaye's latest singles, and do a two week stint on a Wardair cruise ship in the Caribbean -- all the while indulging himself with science-fiction books, Ballantine's scotch, and horribly bad jokes.

Peter Brennan

Guitars, Piano, Vocals

Peter Brennan was born in England in 1951.

The "Beatles" were his biggest musical influence and, in order to "be a Beatle", he started playing guitar and drums in small bands at the age of fourteen.

After high school, Peter went to the University of Western Ontario in London, Ontario, and studied music for three years. He became very interested in writing and arranging.

At this time, Peter became involved with Ken and Ian Stewart in horn bands, arranging and playing guitar, and eventually ended up with "Gary and Dave".

Peter arranged and co-wrote "Gary and Dave's" latest singles, and was also their musical director for two years, both for live, studio and television work — in addition to playing guitar and piano.

Peter has been committed to writing, recording, and producing "Kickatin Kan" material for the past eight months, while doing sessions on the side — most notably — having arranged Gloria Kaye's two latest singles.

While being heavily involved in writing new music at the moment, Peter in his free moments, either practices the five string banjo, or disappears on weekends.

Ken Stewart

Drums, Vocals

Ken Stewart was born in Regina, Saskatchewan in 1952.

He experienced a very full musical upbringing which included choral work, marching bands, drum and bugle corps, and high school music. Here Ken studied percussion, flute, sax and strings, before going on to do two years at the University of Western Ontario as a percussion major.

Ken's professional career started in small dance bands and jazz ensembles locally — with frequent jobs in the London Symphony Orchestra.

Along with his brother Ian, and Peter Brennan, Ken toured Canada for two years in horn bands. After a brief return to school and symphonic work, he then joined "Gary and Dave" and in addition to touring extensively with them he co-wrote their latest single.

While now totally involved in writing and recording with "Kickatin Kan", Ken has had a busy year playing at the C.N.E. grandstand, the Ontario Place forum and Charlottetown festival dates with "Gary and Dave", and the Edmonton Commonwealth games with Gloria Kaye to name a few.

As a result of a hectic schedule, Ken is often seen unwinding with rum and coke, cold beer, steak, and John Wayne movies.

Friendship Centre Talent Show 1980

The Pas Friendship Centre, in co-operation with the Trappers' Festival Committee, will host its 3rd annual talent night on February 11, 1980, during the week of the Trappers' Festival.

Ray St. Germaine will M.C. the show and will also give a one-hour concert from 7 to 8 p.m. when the talent show will start. Doors will open at 6:30.

Advance ticket sales will be available beginning January 21, 1980.

Approximately 70 contestants will be auditioned at The Pas Friendship Centre beginning January 14. Approximately 30 to 35 contestants will qualify to enter the contest.

The competition will be judged by three impartial judges who will sit separately during the competition.

The prizes are as follows:

Senior Competition:

First - \$250.00 plus trophy
Second - \$150.00 plus trophy
Third - \$100.00 plus trophy

Junior Competition:

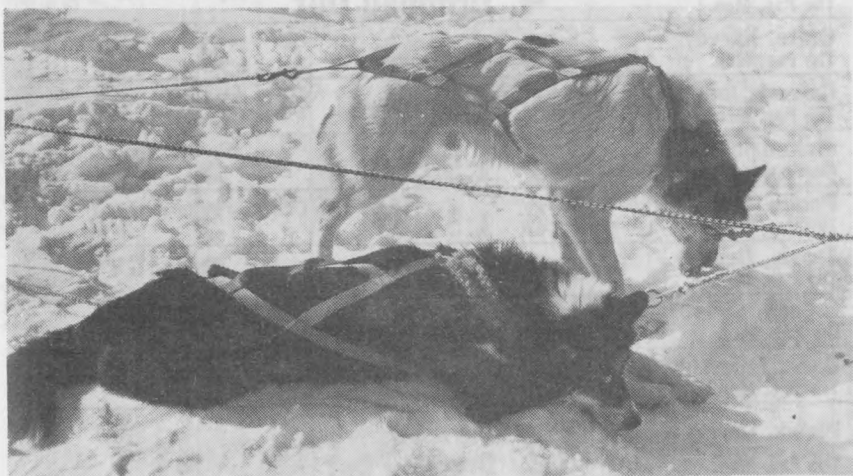

First - \$100.00 plus trophy
Second - \$75.00 plus trophy
Third - \$50.00 plus trophy

Kinsmens Fall Council Breakfast

The 1980 Board of Directors of the Trappers' Festival entertained the Kinsmen at a Breakfast during their Fall Council in October, in appreciation for all their efforts and support with regard to the Dog Races held during festivals. The Fall Council was a fantastic success, and the Kinsmen are to be congratulated on their superb organization.

The Trappers' Festival would like to thank Manitoba Forestry Resources Ltd., Pulp and Paper Division, for supplying Manfor Kraft paper. This paper, produced in The Pas, is used for the posters and certificates.
